

Requirements for International Passengers Arriving in Ecuador

REQUIREMENTS TO ENTER THE COUNTRY

- Original passport (valid for at least 6 months).
- Medical and travel insurance (both are mandatory).
- Negative PCR test result, carried out in your country of origin, up to 10 days before your arrival in Ecuador and without presenting symptoms.
- Present a voucher or invoice that proves that they are entering Ecuador with previously contracted tourist services.
- Present the completed Traveler's Health Card.
- Submit the completed Special Immigration Form.

TRAVELER'S HEALTH CARD

Passengers must fill out and sign, prior to disembarking, the "Traveler's Health Record," which will be delivered by the personnel of the Ministry of Public Health.

SPECIAL MIGRATORY FORM

Passengers must sign a letter of commitment (Special Immigration Form), which states that they agree and comply with the general government provisions regarding the mandatory preventative COVID19 quarantine.

PCR TEST

- Passengers must present their negative PCR test result, performed up to 10 days before the trip.
 - * In the case that a traveler is presenting symptoms of COVID-19 when entering the country, the Ministry of Public Health will activate the established protocols.

COMPLIANCE WITH THE MANDATORY PREVENTIVE QUARANTINE (APO)

Passengers who enter without a PCR test will immediately begin their APO in an authorized accommodation and a PCR test will be performed by a laboratory that has been approved by the Ministry of Public Health, and will comply with the APO until a negative test result is delivered. All costs will be the responsibility of the passenger.

If the result of the PCR test is positive and/or the passenger presents symptoms related to COVID-19, they must comply with the APO for a period of 10 days and 9 nights; in the case that the passenger continues to present symptoms on the tenth day, they must extend their stay for an additional 3 days in their hotel.

IMPORTANT INFORMATION

- All costs involved in complying with the APO (PCR test performed at the Ecuador airport, transportation, accommodation, food, etc.) will be the responsibility of the passengers.
- In case of violation of the APO or providing false information in the "Traveler's File," passengers will be subject to administrative, civil, and criminal sanctions, established in conjunction with the current regulations.
- Passengers must keep their travel agent or local operator informed about any conditions and news that may arise upon arrival in the country.

TO CONSIDER

Protocols will be constantly evaluated and may be modified according to the evolution of the health situation in Ecuador.
